

FOREIGN CLAIMS SETTLEMENT COMMISSION  
OF THE UNITED STATES  
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

EMERY FRANCOZ.

**Under the International Claims Settlement  
Act of 1949, as amended**

Claim No. CU-8142

Decision No. CU-4608

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by EMERY FRANCOZ and is based upon the asserted loss sustained in connection with the ownership of a participation interest in the Cuban Venezuelan Oil Voting Trust. Claimant has been a United States national since his naturalization.

The Commission's Regulations provide that claims under Title V of the Act (Cuban claims) shall be filed with the Commission on or before May 1, 1967 (FCSC Reg., 45 C.F.R. Sec. 531.1(d) (Supp. 1967)); and further that any initial written indication of an intention to file a claim received within 30 days prior to the expiration of the filing period thereof shall be considered as a timely filing of a claim if formalized within 30 days after the expiration of the filing period. (Reg., Sec. 531.1(g))

No claim was filed with this Commission by or on behalf of this claimant within the allowable period for timely filing of such claims, nor does the Commission have any record of any communication concerning his asserted loss.

The Commission has held, however, that it will accept for consideration on their merits claims filed after the deadline so long as the consideration thereof does not impede the determination of those claims which were timely filed. (See Claim of John Korenda, Claim No. CU-8255.)

As is fully set forth in the original decision involving the Cuban Venezuelan Oil Voting Trust (see Claim of Felix Heyman, Claim No. CU-0412 which is hereby incorporated herein and made a part hereof by reference), this type of claim for loss of a stock ownership is compensable under the conditions and facts set forth in Heyman. There is no need to again detail herein the reasons for such a determination or the method arrived at in determining the value per unit of participation which comes to \$0.11971 per unit.

The evidence of record establishes that claimant is the owner of 800 units of participation in the Cuban Venezuelan Oil Voting Trust which were purchased subsequent to the date of loss as follows: 400 units on January 18, 1960 for \$108.00; 300 units on September 18, 1961 for \$33.00 and 100 units on October 17, 1961 for \$11.00.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

Section 507 of the Act provides, as to assignment of claims, that

(b) The amount determined to be due on any claim of an assignee who acquires the same by purchase shall not exceed (or, in the case of any such acquisition subsequent to the date of the determination, shall not be deemed to have exceeded) the amount of the actual consideration paid by such assignee, or in case of successive assignments of a claim by any assignee.

Under the provisions of Section 504(a) of the Act, a claimant is required to establish that the claim for any loss has been continuously owned by a national or nationals of the United States from the date of loss to the date of filing with the Commission. The loss occurred on November 23, 1959. In similar cases, claimants have been unable to obtain information or evidence to establish the nationality of the owner of the securities until the date on which claimant acquired them.

Evidence of record before the Commission discloses that securities of the type subject of this claim were almost entirely owned and traded

by persons or firms having addresses in the United States. The Commission has considered whether an inference may be justified that the claimed securities were continuously owned by a national or nationals of the United States from the date of loss to the date on which purchased by the claimant, and, in the absence of evidence to the contrary, has concluded that the securities were continuously so owned. (See Claim of the Executors of the Estate of Julius S. Wikler, Deceased, Claim No. CU-2571.)

The Commission finds that claimant as an assignee by purchase, of the 800 units subsequent to the date of loss, acquired the claims for the losses sustained by the assignors of the claimed securities, but under the limitations provided in Sec. 507 of the Act (supra), is limited to \$91.88, the actual value of 400 units purchased on January 18, 1960 for \$108.00; and the actual consideration paid for the units purchased on September 18, 1961 and October 17, 1961 for \$44.00.

The Commission has decided that in certification of loss on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (see Claim of Lisle Corporation, FCSC Claim No. CU-0644).

The Commission concludes, however, that the amount of loss sustained by claimant herein shall be increased by interest thereon at the rate of 6% per annum from January 18, 1960 as to \$47.88, from September 18, 1961 as to \$33.00; and from October 17, 1961 as to \$11.00, the dates on which claimant acquired these portions of the claim, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that EMERY FRANCOZ succeeded to and suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Ninety-One Dollars and Eighty-Eight Cents (\$ 91.88 ) with interest at 6% per annum from the respective dates of purchase to the date of settlement.

The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
